This diagram shows a top-down view of a circular device. At the center is a hub (31) with a ring of eight small dots. Surrounding the hub are eight segments (20), each containing a sub-component (30). The entire assembly is enclosed within a circular boundary (10). Two dashed lines, labeled D_1 and D_2 , indicate specific diameters or boundaries within the device. The label 450 points to the outermost ring of the device.
